What The Council Does For You!

UNITES all owners regardless of breed or discipline on matters that affect the horse industry as a whole.

REPRESENTS the equine enthusiast on issues affecting the equine industry in the state. We monitor and promote legislation, ordinances, and regulations that enhance the horse industry at the local, state and federal levels. Occasionally, we must oppose legislation, etc that is deemed detrimental to the horse industry. Our Membership in the American Horse Council ensures that we are also represented in Washington.

EDUCATES by sponsoring clinics and seminars, hosting trade shows and conferences sponsoring a youth scholarship program, producing an industry directory, state trail network guide and a quarterly newsletter, and participating in disaster preparedness plans.

PROMOTES the common interests of the horse industry in SC.

What You Do for the Council!

JOIN! Any individual, family, farm, business, or organization interested in horses and the equine industry should join the council.

Power exists in numbers. People who share a love for, interest in, or investment in horses and the horse industry have united to insure that their views are represented to state and federal agencies, the media and the public at large.

Your membership adds financial strength to assure that your voice is heard in our continuing efforts to keep our animals, maintain our trails and recreation areas, and protect the future growth of our state's horse industry in recreational, business and personal endeavors.

Your membership helps to defray the cost of our efforts to assure your voice is heard, and of notifying you regarding issues which may affect you and your horse.
